Nancy Kelley

Founding executive director, New York Genome Center

Founding executive director of the New York Genome Center, a new public-private partnership of local universities, medical centers and private philanthropists that seeks to study genomics. She is a lawyer and commercial real-estate developer who spent two decades working to develop biotech and nonprofit medical organizations. Prior to the Genome Center, she was senior vice president, business development and strategic operations for Alexandria Real Estate Equities, which focused on acquisition of development of properties for the life sciences industry, and was also a senior executive with Spaylding & Syle Colliers and Colliers International.

Wall Street Journal Headlines

New Home for Genome

June 17, 2012 10:01 p.m.

A high-powered group of universities, medical centers and labs in the New York area that is aiming to move to the forefront of DNA-sequencing research is on the verge of signing a major lease for a home in SoHo, according to multiple people with direct knowledge of the effort.
